setting off

As with any journey, you will need to know where you are going; having a map of your route certainly helps! On the following pages you will see a map of the Prophets mentioned in the Noble Quran. Follow the path on the map carefully and look out for the names you have heard before.

From amongst all of these Prophets of Allah, five are mentioned in the Quran (in Surah Al-Ahzaab, Ash-Shura & Al-Ahqaaf) as أولوا العزم or Prophets of great determination. They are Nuh عليه السلام, Ibrahim عليه السلام, Musa عليه السلام, Eesa عليه السلام and Muhammad ﷺ. We shall learn about the life of Muhammad ﷺ in detail in a dedicated subject in the Stem Series. For now, we'll take a closer look at the other four Prophets mentioned, as well as the Prophet Adam عليه السلام; the first Prophet of Allah. Take a look at the map on the next page...

As you may have guessed from the title of this book, you'll be learning about the story of Adam ﷺ. You can discover more about the other Prophets in the rest of this series.

As you travel, you will need to acquaint yourself with some essential information. Without it, you will be lost, and may not reach your final destination. Read up on the following symbols to find out what to expect along your way.

Before you begin any journey, you need to know where you are going and why you are going there. With all the stories in this book, your aim is broken into three parts. You **must** be able to read the story yourself, summarize the main events and place them in the correct order. You **should** be able to understand the finer details of what occurred in the story. Finally, you **could** be able to understand the reasoning behind some of the story events. You will be able to test whether you have achieved your targets at the end of each section by attempting to overcome the obstacles in your way.

One of the other things you need to do before any journey is to prepare! **Pack Your Bags** involves reminding yourself about the meanings of some essential key words that occur in the story.

Once you have set off on your journey, you'll need to think actively about what you are learning.

Reflections occur in the middle of stories and get you to ponder a little deeper into the events.

Once the reading is over, you'll take a well earned rest at the **Rest Point**. You'll do some light word-work to ensure you understand the language used in the story.

Now begins your chance to prove what you have learnt. You have to cross three different obstacles, each getting harder as you go along. By completing each of these you will ensure you have covered the aims of your journey. First you have to **Jump the Fence** by proving you know enough about the events of the story.

The next task is a little harder. **Cross the River** is all about checking whether you picked up the smaller details of what actually happened in the story.

The final and hardest task is called **Climb the Mountain**. Here you have to show an understanding of why things happened the way they did in the story.

*After completing each section,
be sure to have your answers marked
in **The Farewell Mark** chapter at the end of this book.
Well that's all you need to know before you start!
It's time to begin your journey...*

بِسْمِ اللَّهِ

Bismillah!

the beginning

Before you begin your journey, you'll need to be prepared. Some of the words that occur in the story are mentioned below. Take a quick look at them to see which ones you already know. We'll do some work on these and other words at the end of the story.

ALLAH

ANGELS

PURE

SIN

JINNS

Long ago there was only Allah.
There was no one with Him,
and no one before Him.

There was no sun that set,
no water so wet.

There were no birds that fly,
no sky so high.
There were no rivers that flow,
no winds that blow.

So where did it all come from?

Allah said, "Be!"
Just like that.
He made all that we see.

Allah said, "Be!"
Just like that.
He made all that we cannot see.

He made the Angels.
They are kind and pure.
He made the Jinns.
Allah has made much more.

All praise be to Allah! Did you ever stop to think about what Allah has created? There are many things Allah has made that we cannot see. In the story, Angels and Jinns were mentioned as two examples. Can you think of any more?

Allah made the shape of a man.
He made it out of clay.

Allah said, "Be!"
Just like that.
The man came to life.

Allah named him Adam.
He was the first man.
May Allah bless Adam.
'Alay-his-salaam.

Allah made a wife for Adam.
Her name was Hawwa.
May Allah bless Hawwa.
'Alay-has-salaam.

Adam and Hawwa had one aim in life.
It was to do what Allah likes.

Allah also made Jannah.
It is a place good and pure.
Jannah has all that you want,
and much much more.

In Jannah there was a tree.
Allah told Adam not to go there.
It was just one tree.
There were so many others there.

Along came Shaytaan.
He was a bad Jinn.
He wanted Adam to sin.
He said he was better than him.
So Shaytaan told Adam a lie...

JANNAH

What is Jannah?

Jannah is the name of the Paradise that Allah has prepared for those who believe in Him and do good deeds. It is a place of eternal happiness and bliss, where the believers will be rewarded for their faith and good deeds. The Quran describes Jannah as a place with many rivers, lush gardens, and beautiful buildings. The believers will be able to enjoy the fruits of the trees and the company of their loved ones who have also entered Jannah. The Quran also mentions that the believers will be able to see Allah and be in His presence, which is the ultimate reward for them.

ADAM

Who was Adam?

Adam was the first human being created by Allah. He was created from clay and given the ability to reason and speak. Allah placed him in the Garden of Eden, where he was allowed to eat from any tree except the Tree of Knowledge. However, Satan (Shaytan) tempted him to eat from that tree, and he disobeyed Allah's command. As a result, he was expelled from the Garden and sent to Earth. On Earth, he and his wife Hawwa (Eve) had many children, and they lived for a long time. Adam is considered the father of the human race.

HAWWA

Who was Hawwa?

Hawwa was the first woman created by Allah. She was created from Adam's rib and given the ability to reason and speak. Allah placed her in the Garden of Eden with Adam, and they were allowed to eat from any tree except the Tree of Knowledge. However, Satan (Shaytan) tempted her to eat from that tree, and she disobeyed Allah's command. As a result, she was expelled from the Garden and sent to Earth with Adam. On Earth, she and Adam had many children, and they lived for a long time. Hawwa is considered the mother of the human race.

SHAYTAAN

Who is Shaytaan?

Shaytaan is the name of the devil, who is a creature created by Allah. He is a being of fire and is known for tempting humans to commit sins. He was created by Allah to test humans, but he became rebellious and disobeyed Allah's commands. He is now the enemy of humans and is constantly trying to lead them astray. The Quran mentions that Shaytaan was expelled from the Garden of Eden along with Adam and Hawwa. He is also mentioned in the Quran as the one who tempted Adam and Hawwa to eat from the Tree of Knowledge.

JINN

Who are the Jinns?

Jinns are creatures created by Allah from smokeless fire. They are invisible to humans and can move freely between the earth and the sky. They are known for their magical powers and are often associated with magic and sorcery. The Quran mentions that Jinns were created by Allah on the same day that Adam was created. They were given the same choice as Adam: to believe in Allah or to disbelieve. Some Jinns believed in Allah, while others did not. The Jinns who believed in Allah are known as the good Jinns, and they are allowed to move freely between the earth and the sky. The Jinns who disbelieved in Allah are known as the bad Jinns, and they are confined to the lower world.

Hopefully you would have heard of them before. We'll do some work
on these and other words at the end of the story.*

PROPHETS

FORGIVE

ISLAM

Shaytaan told Adam a lie,
saying if he ate from the tree,
he would never die.
But it was a lie.

Adam went near the tree.
He saw the fruits.
Adam ate.
It was a mistake.

How do you think Adam  must have felt after he ate from the tree? Write your thoughts down below and then turn over to the next page to see if you were right.

Adam felt very sorry.
So he began to pray.
Allah forgave him.
But He also sent Adam away.

Adam had to leave Jannah.
Allah sent him to Earth.
Earth was a place far away.
It is where Adam had to stay.

Adam and Hawwa lived on Earth.
They had lots of children.
We are all one of them.

But Shaytaan was still around.
He had a bad plan.
He wanted people to leave Islam.

Allah had a plan too.
He sent lots of Prophets.
What they said is true...

“Pray to Allah alone.
Do what Allah likes.”

That is our aim in life.

Allah made Adam a Prophet.
He was the first Prophet of Islam.
May Allah bless Adam.
'Alay-his-salaam

Some time went by.
Adam passed away.
Allah sent lots of Prophets after him.
They all took the same way.

The Prophets are the best of men.
Their stories are the best too.
Let us learn more about them.
All their stories are true.

the farewell mark

Every journey, no matter how long, must come to an end. You have come to the end of your journey through the life of Prophet Adam ﷺ. One of the ways you can measure your success is through seeing how well you did in clearing the obstacles that came in your path. Suggested answers to each chapter are offered in the pages that follow. You are encouraged to have your progress marked.

However, there is more to measuring your success than just clearing the obstacles. One of the most valuable measures is your own thoughts on what you have learnt and enjoyed most. Hopefully, you will take away a treasure chest of lessons from this wonderful and important story, and continue learning more about it in the future. This chapter offers you the chance to judge for yourself what was your most valuable farewell mark.

At the end of a journey, it's always nice to pause and think over what you can most benefit from. Think hard about what were the most valuable lessons you learnt during this journey. Take a moment to think again and select one lesson, idea or thought that you will take away from your experience...
